

## **Dr. Clare Seligmann**

**Board Position:** Vice-President

Dr Clare Seligmann is current Vice-President of the Division and has previously been a Board member of Brisbane Inner South Division of General Practice.

Dr Seligmann has an extensive professional background in general practice, medical teaching, providing advisory services, and services to the community.

Her community involvement has included being President of the Camp Hill Kindergarten, Chairman for the Council of Community Kindergartens and Child Care Centres, Board member of the Crèche and Kindergarten Association of Queensland, Board of St Peters Lutheran College Council, and Board of Lutheran Community Care Council.

Clare is in the process of completing the AICD Foundation Directorship course as part of her governance training.

Clare has provided professional advisory services to Residential Aged Care Facilities and to the Department of Veterans Affairs. She is currently working in general practice, participates as a Board member of the Division and is working between the Brisbane South and the Princess Alexandra Hospital to reduce the outpatient waiting list for the Specialist Outpatients Hepatology clinic.
