

Dr. Frank Occhino

Board Position: Director

As Past President of the Board of Brisbane South Division of General Practice, Dr Occhino has remained on the Board to follow through the vision of the BSD Board.

He has shown leadership within the GP community in his involvement with the Australian Primary Care Collaboratives Program in Aged Care, and through his participation in the Division's Mental Health programs.

He has been a long standing member of the Australian Medical Association, the Royal Australian College of General Practice, the Brisbane South Division as well as community groups such as Rotary.

He currently works in general practice and provides services to a number of Aged Care Facilities in Brisbane South.
